

**Report from Creigiau Ward Surgery Held in  
the Creigiau Church Hall on 20<sup>th</sup> January 2018**

1. I attended the meeting with County Cllr Graham Thomas.

**Concerns of Residents**

2. Further concerns were expressed at the work being carried out along the A4119 by Mrs J Wood:
  - a. Were the contractors following the exact conditions of the planning approval in removing so much of the ancient hedgerow?
  - b. If the contractors have breached any conditions imposed on them by Cardiff CC then what action do Cardiff CC intend to take?
  - c. Cllr Thomas explained that he was hoping to set up a local liaison group with Persimmon.
3. Further concerns about the rapidly deteriorating state of Tynant Road were expressed by two more residents Mrs E Goss and Mrs B Thorpe
  - a. They would like to know when Cardiff CC will be starting remediation work.
  - b. Some of the known constraints as notified to PCC were discussed but both ladies thought that a long time had now passed with no action being taken.
  - c. The method for making individual reports on roads and other matters via C2C was also discussed and explained
4. A resident made further representations about the lack of a post office in Pentyrch and asked what PCC and our local councillors were doing about it as the meetings held to date appeared not to have resulted in a resolution.
5. Mr N Lukaris raised a question about speed and traffic volumes in Creigiau in the rush hour periods.
  - a. Cllr Thomas explained the proposals for traffic calming he was intending to bring forward and of his meeting with the relevant safety officer.
  - b. Mr Lukaris expressed a willingness to be trained to work with a PCSO using a speed gun to do speed monitoring.

The next Surgery will be held on 7<sup>th</sup> February 2018 at 19.00 hours in conjunction with the PACT meeting at Creigiau Golf Club.

Cllr Mike Sherwood
