Website Accessibility Statement

This accessibility statement applies to www.pentyrch.cc.

This website is run by Pentyrch Community Council. We want as many people as possible to be able to use this website. We are working towards a website where you should be able to:

- change colours, contrast levels and fonts
- zoom in up to 300% without the text spilling off the screen
- navigate most of the website using just a keyboard
- navigate most of the website using speech recognition software
- listen to most of the website using a screen reader (including the most recent versions of JAWS, NVDA and VoiceOver)

We've also made the website text as simple as possible to understand.

We know some parts of this website are not fully accessible:

- the text will not reflow in a single column when you change the size of the browser window
- you cannot modify the line height or spacing of text
- most older PDF documents are not fully accessible to screen reader software
- live video streams do not have captions
- some of our online forms are difficult to navigate using just a keyboard
- you cannot skip to the main content when using a screen reader
- there's a limit to how far you can magnify the map on our 'contact us' page

If you need information on this website in a different format like accessible PDF, large print, easy read, audio recording or braille:

- email clerk@pentyrch.cc
- call 02920 891417

We'll consider your request and get back to you in 5 working days.

We're always looking to improve the accessibility of this website. If you find any problems not listed on this page or think we're not meeting accessibility requirements, contact the PCC Clerk at this email: clerk@pentyrch.cc or call 02920 891417.

The Equality and Human Rights Commission (EHRC) is responsible for enforcing the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018 (the 'accessibility regulations'). If you're not happy with how we respond to your complaint, [contact the Equality Advisory and Support Service \(EASS\)](#).

Pentyrch Community Council is committed to making its website accessible, in accordance with the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018.
