Pentyrch Primary School : Public Consultation

PCC supports improved facilities in its communities and understands the need for Pentyrch Primary School to remain sustainable.

PCC does have concerns arising from the proposed expansion of PPS:

1. The proposed 50% increase in pupil numbers will greatly increase the traffic and parking on Bronllwyn whether the extra pupils arrive by school bus or private car.
2. Bronllwyn traffic flow is already significantly affected at school drop-off and pick-up time. It is a bus route.
3. Safety for all users is a major concern for PCC and asks that robust plans be drawn up to minimise risk for more pupils, parents and school staff
4. The existing nursery based in Pentyrch Village Hall has been an important part of the community for some 40 years. PCC is pleased to see that support for this nursery is part of the consultation plan. We note that the new nursery may not be in the final plan.
5. PCC considers the sustainability of Pentyrch as a community an important element of this consultation. The school is clearly a key part of the community and the existing nursery plays its own key role.
6. Pentyrch Village Hall is another vital part of the local community and the existing nursery contributes a significant proportion of its income.
7. It is essential that any new nursery's effect on the wider community's sustainability be properly considered.
