## The Taff Ely (Llantrisant) Ramblers

The Taff Ely (Llantrisant) Ramblers Group, now with more than 120 members, was formed in 1993. The Group promotes rambling, protects rights of way, campaigns for access to the open country and defends the beauty of the countryside.

Maintaining the local footpath network is a priority. Some of our volunteers undertake practical footpath work to help maintain the local footpath network. The Group's walks programme consists of weekly walks in South East Wales, and are usually approx. 5 to 15 miles in length.

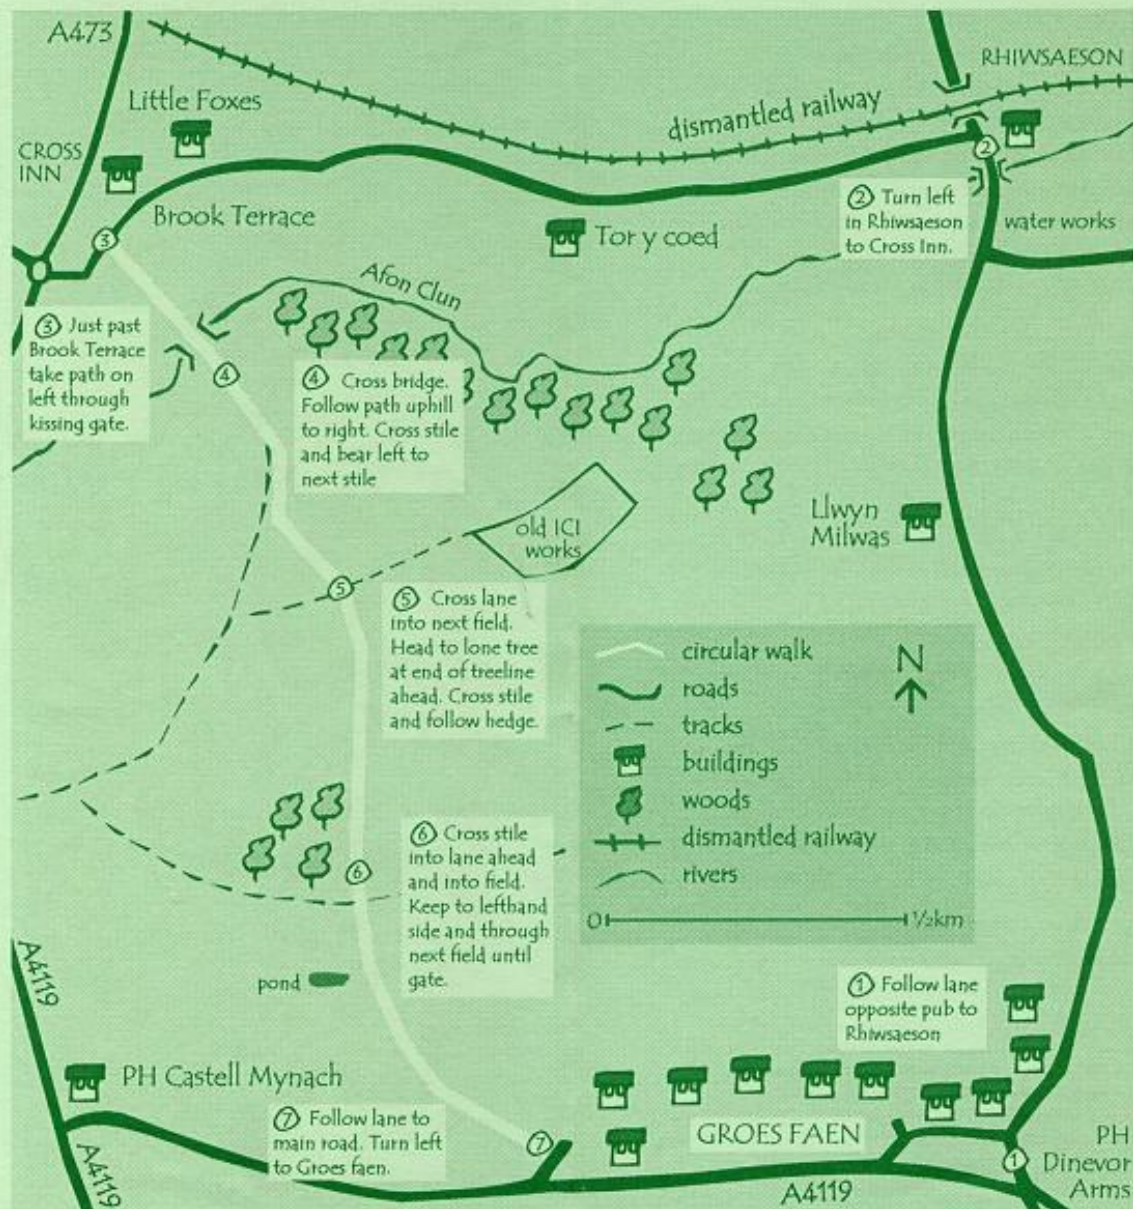

We have a national reputation for our friendly welcome and relaxed attitude on our walks and new walkers are always welcome. So come and enjoy the countryside in the friendly company of fellow walkers.
