Dear Ms Rankin,

Pentyrch GP Surgery : move to Rhydlafer, NW Cardiff

We note, with some disappointment, that we have not received a response to our letter 21st February and the subsequent follow up on 16th March, copy of original letter attached.

We would now like to raise a number of other points:-

- A) If the project is proceeding can you give a schedule of timings for the work to commence and estimated time before the practice will go live.
- B) The PSOS have approached us and posted publicly that the Health Board have written to them advising PCC will be conducting and collating a survey regarding the proposed new practice. PCC has had no dialogue with the Health Board regarding this matter and has not agreed to undertake any surveys. Can you please clarify this matter?
- C) PCC would request that should a formal group be established to consider transport solutions be convened that a patient/public representation be included. A PSOS representative should be considered.

We would be grateful for a response be return please.

Yours faithfully,

p.p

Chair
